WHAT IS RELOAD...?

Reload is a camp for all! It doesn't matter whether you are in your first or fifth year of uni, whether you are a follower of Christ (whatever your denomination) or whether you are just curious to find out more.

It is an opportunity to get away for the weekend and spend some quality time with God and each other before the daily grind of uni life takes hold.

You can look forward to a fun-filled time where you are guaranteed to make new friends or strengthen existing friendships.

But most importantly Reload aims to encourage and challenge us through God's Word. This year our speaker Brett Richardson, a minister at Wollongong Presbyterian Church, will be helping us to consider what God's Kingdom is all about.

DETAILS

6pm Friday 11th March until
3pm Sunday 13th March

Location: 31 Millbank Rd, Terara
(in the Shoalhaven River area near Nowra)

Accommodation Cost:

Camping - \$80

Cabins - \$105

(If cost is a problem please talk to our ECU staff about available subsidies)

WHAT TO BRING

If you have a tent, preferably 5 man or bigger, please bring it! Otherwise sleeping gear (sleeping bag, mattress, etc if you are camping), bible, pen, toiletries, torch, clothes, towel, teddy bear. It would also be great if you could bring something to share for supper. We are staying on a beautiful property so be prepared for the options of playing sport, going on a nature walk, playing board games, etc in free time! There will also be a bookstall so come prepared with cash.

TRANSPORT

We will arrange lifts wherever we can. Accurate information is essential, so let us know if any details change. Contact Karina Brabham if you have any questions.
